**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Competition provides better options for individuals and small business owners who are the back-bone of a healthy economy. I do not support price hikes that will increase the cost of the internet. The internet should be available to all, not controlled by a monopoly.
